

Nondiscrimination Policy

In addition to being a business, Burgundar is a community that promotes inclusion and collaboration. To that end, Burgundar L3C has the following policy on Nondiscrimination.

1. No client shall be denied service based on • race • age • religious beliefs • color • place of origin • sex • gender • mental or physical disability • ancestry • marital status • sexual orientation/relationship lifestyle • source of income • veteran status • family status • political affiliation of that person or of any other person.
2. Events hosted at the Burgundar site must adopt this Nondiscrimination Policy unless the event is private.
3. In any instances that the nondiscrimination policy would conflict with local, state or federal law, this policy shall yield fully to the law.
